ABOUT SENEX ENERGY

Senex is an ASX listed oil and gas exploration and production company focused on generating shareholder value by growing reserves and production. It holds extensive onshore oil and gas acreage in the Cooper and Surat Basins, two of Australia's most prolific onshore energy regions. Senex is well capitalised and has built strong operating credentials over its 30 year history. Senex operates the majority of its low cost oil producing assets, and is successfully developing a gas business including the 100% owned and operated Western Surat Gas Project in Queensland.
