## Senex and Shell Energy sign new gas sales agreement

**Senex Energy Limited (Senex, ASX:SXY) today announced a domestic gas sales agreement with Shell Energy Australia for the supply of 8 petajoules (PJ) of natural gas over four years.**

Under the four-year agreement starting in 2022, Senex will supply around 8 PJ of natural gas at the Wallumbilla Hub at a fixed price in line with current market levels.

Shell Energy provides business energy solutions and innovation across a portfolio of gas, electricity, environmental products and energy productivity solutions to commercial and industrial customers in Australia, helping them to thrive through the energy transition.

Managing Director and CEO Ian Davies said Senex was committed to supplying reliable, affordable and sustainable natural gas for Australian businesses.

"We are proud to continue supporting the economy and jobs in local communities, and helping Australia transition to a lower carbon future," Mr Davies said.

### About Senex

Senex is an established, rapidly growing low-carbon Australian natural gas producer. Our long-life Surat Basin assets contribute around 20 petajoules of natural gas per year into the east coast gas market to support our customers. Senex is focused on sustainably delivering balance sheet strength, resilient cashflows, growing dividends to support Australia's energy needs as it transitions to a lower carbon future.
