

Notification of road closures

Senex Energy, in line with Department of Transport and Main Roads and Western Downs Regional Council approvals, and a Queensland Police Service permit, will be conducting temporary pressure testing of a new water and gas pipeline in the Woleebee area.

For safety purposes, Bakers Road will be closed to traffic for one 12-hour overnight period (6pm to 6am) on **Monday, 6 December 2021**.

The road closure will affect Bakers Road, as indicated below. Traffic control will be positioned at the entrance to Bakers Road. Residents adjacent to the road closure will be notified the day prior to testing.

The works will be performed in accordance with a council approved traffic management plan. Please abide by the advisory traffic signage installed before and during the closure periods.

We thank you for your patience.

For further information, contact Senex Energy on 1800 811 165 or Surat.community@senexenergy.com.au.
